

Maryland Department of Assessments & Taxation Electric Rate Stabilization Property Notice

The Department of Assessments and Taxation has established and maintains a public system of records for electric companies and secured parties to file Rate Stabilization Property Notices pursuant to Chapter 5 of the Laws of Maryland 2006, Emergency Session. Once the filings are made, the Department shall make available to the public via the agency's website document images of the notices filed.

The Rate Stabilization Property Notice (RSN-1) filed by electric companies and secured parties for the securization of the recovery of rate stabilization costs for transitioning residential customers from capped generation rates to market-based rates is shown here.

The form may be completed on-line but must be submitted by hand delivery to the Charter Section of the Department in the public service room on the 8th Floor at 301 West Preston Street, Baltimore, Maryland 21201.
